Applications for 2019-2020 Eboard

Applications for the 2019-2020 Women in Computing Executive Board are now open. You can apply for up to two positions. Check it out [here](#).

Opportunities at Wisely

Interested in learning more about getting involved with a start up after this week's talk? Wisely has opportunities for full stack web development internships and full time positions. Reach out to Tanay Salpekar at tanay@getwisely.com to learn more.

"Do one thing every day that scares you."

—Eleanor Roosevelt

Women in Technology Symposium

Target is hosting their 4th Annual Women in Technology Symposium this May. This is a great event for students wrapping up their sophomore year to learn more about technology at Target, connect with senior leaders, shadow engineers and interview for internship opportunities. Apply for this opportunity [here](#).

MSU CSE Organizations

Spartan Hackers: TBD

Stay up to date with Spartan Hackers through their [Facebook page](#)!

ACM : Hacking Workshop

When : Wednesday, March 20th @ 6:30 PM

Where : 1279 Anthony

Details : Interested in learning about system flaws and issues? Perhaps you'd been hacked before and would like to learn more about how security issues arise? We will be having Pranshu Bajpai, a graduate student under Professor Enbody be doing demos showcasing the flaws that exist from everyday software you might encounter.
