

WIC Bits

OCTOBER 13TH, 2017

Blue Medora Tech Talk!

When : Tuesday, October 17th

6:30 - 7:30 PM

Where : 1225 Engineering Building

Details : Developers from Blue Medora will be discussing how they collect, store and display data from the serial interface of aftermarket engine management controllers with Python and Redis (in-memory database). They will also be discussing how a personal project can change your life in unexpected ways! Pizza will be provided!

Please RSVP! -> [Facebook Event](#)

"The future belongs to those who believe in the beauty of their dreams."

– Eleanor Roosevelt

Other Upcoming WIC Events

Lean In Circle -

When: Tuesday, October 24th @ 6:30 PM

Where: 1225 Engineering Building

Volunteer Opportunities

MSU College of Engineering Girls' STEM Day

WIC is looking for volunteers for the College of Engineering's Girls' STEM Day on Saturday, November 11th! We will be leading a simple computing activity for girls in grades K-4. This is a small time commitment and a great way to give back to the community! You also get a free t-shirt and lunch. If you are interested, please fill out this [form](#) by October 26th and indicate that you are volunteering with the specific activity for WIC. WIE needs volunteers for all activities, so feel free to volunteer for another activity as well! If you have any questions, please reach out to Sarah Johanknecht at johankn1@msu.edu.

Scholarship and Fellowship Opportunities

National Center for Women and Information Technology Collegiate Award

The NCWIT Collegiate Award, sponsored by Hewlett Packard Enterprise and Qualcomm, honors the outstanding computing accomplishments of undergraduate and graduate women. Conferred annually, this award recognizes the technical contributions to projects that demonstrate a high level of creativity and potential impact. The application is now open! Select a technical project you have worked on in or out of school to apply. Visit this [link](#) to learn more and submit your application! MSU is a member of NCWIT, so students are eligible to receive up to \$10,000 in prizes and benefits!

MSU CSE Organizations

Spartan Hackers : Getting Started with Terminal and Command Line Workshop

When : 7:30 - 8:30 PM

Where : 1225 Engineering Building

Details : Steven Kneiser of Spartan Hackers will be hosting a terminal and command line workshop next week! This is a great chance to learn new skills or brush up on old ones. E-board elections for Spartan Hackers are also coming up in early November! Make sure keep an eye out for additional details in coming weeks.

ACM : No Event This Week
