

WIC Bits

SEPTEMBER 29TH, 2017

Amazon Tech Talk!

When : Tuesday, October 10th

6:00 - 8:00 PM

Where : 1345 Engineering Building

Details : Employees from Amazon will be discussing Amazon Marketplace, the Amazon Detroit Office, and an overview of Amazon as a whole!

About Amazon Marketplace -

Have you ever noticed the "See more buying choices" or "New & Used offers" while you're shopping on Amazon? Maybe you've sold an old textbook or extra movie yourself. Selling on Amazon is one of the fastest growing businesses at Amazon.com. The Amazon Marketplace team drives this multi-billion dollar business and develops solutions that enable millions of sellers around the world to sell on Amazon's Marketplaces. Come to learn more about the Amazon Marketplace Team!

Please RSVP! -> [Facebook Event](#)

Other Upcoming WIC Events

"Nobody can go back and start a new beginning, but anyone can start today and make a new ending."

- Maria Robinson

four years on Glassdoor!

Networking Opportunities

Engineering and Technology Exchange Ambassador

Career Services is looking for students to serve as ambassadors to companies at the Engineering Technology Exchange on October 4th.

Ambassadors will work with the employers to help unload their materials, take them to their booths, and help with student check-in. It is a great way to network with employers attending this event! Email lieblan1@msu.edu if you are interested in participating. Fill out this [google form](#) to sign up.

Scholarship and Fellowship Opportunities

Michigan Council of Women in Technology Foundation Scholarship

The MCWT Foundation offers college scholarships through an application and interview process to qualified young women who are entering or currently majoring in IT fields. Applications will be accepted October 1st to January 31st.

Students must be Michigan residents, have a GPA above 3.0, be enrolled in a full time university in Michigan and be a US citizen to be eligible. Visit this [link](#) for additional information about the application and review process.

National Center for Women and Information Technology Collegiate Award

The NCWIT Collegiate Award, sponsored by Hewlett Packard Enterprise and Qualcomm, honors the outstanding computing

accomplishments of undergraduate and graduate women. Conferred annually, this award recognizes the technical contributions to projects that demonstrate a high level of creativity and potential impact. The application is now open! Select a technical project you have worked on in or out of school to apply. Visit this [link](#) to learn more and submit your application!

KPCB Fellows Program

Kleiner Perkins, a world-leading venture capital firm located in Silicon Valley, just announced they are accepting applications for the 2018 KPCB Engineering Fellows Program! This program is a career defining opportunity for technical students who are interested in pursuing high technology, entrepreneurship, design and startups. This program matches students to companies like Coursera, Slack, Airbnb, and Pinterest. Additionally, this small cohort of Fellows will gain exclusive access to events and programming within Kleiner Perkins. Be sure to watch this quick [video](#) to learn more! Visit this [link](#) to apply.

Rewriting the Code Fellowship

If you are an undergraduate woman pursuing a major that could lead to a career in tech, this program is for you. If you're ready to gain valuable technical experience, be part of a community, and build relationships that will last a lifetime, then apply to the Rewriting the Code Fellowship. This fellowship is a year-long program that provides the opportunity to intern at top tech companies across a variety of industries and gain essential personal and confidence-building skills needed to excel in the tech industry. Job Postings

General Mills

General Mills is currently hiring for internships and full-time opportunities. Summer interns at General Mills work on real projects that span a wide range of technology, from mobile and web development to .NET, SAP, databases and infrastructure. They provide tech training to ensure that each intern has the skills they need to complete their project. Their full-time hires take part in a rotational program where they are given the opportunity to work with several different business areas and technologies. They have open positions for Application Developers, Application Analyst and Infrastructure Specialists. Contact WIC alumni Devan Sayles at Devan.Sayles@genmills.com for more info.

MSU Talks and Events

Wine and Cheese Night with Kerry Ann Rockquemore, PhD

Join MSU Women in Entrepreneurship for wine and cheese with Kerry Ann Rockquemore - President and CEO of the National Center for Faculty Development and Diversity (NCFDD) and accomplished author. NCFDD is an independent faculty development center providing external mentoring for over 30,000 graduate students, postdocs, and faculty members in the US. Learn more about her journey to entrepreneurship and what made her want to start! This event will be at The Hatch on October 3rd. Learn more about this event and RSVP [here](#).

MSU CSE Organizations
