

# WIC Bits

OCTOBER 26TH, 2018

## Lean In Meeting

**When :** Tuesday, November 6th @ 6:00 PM

**Where :** 3400 Engineering Building

**Details :** Lean In Circles are small group meetings to share and discuss experiences about school, work, and other life events in a supportive, confidential environment!

**Please RSVP! -> [Facebook Event](#)**

## Atomic Object Typescript Workshop

On November 10 from 10-2, Atomic Object is holding a workshop at their headquarters in Grand Rapids. JavaScript is a powerful language that's flexible- to a fault. TypeScript adds a layer of static typing over JavaScript that makes code stronger, more robust, and easier to write. We're going to dive into TypeScript fundamentals, development patterns, and a handful of magic tricks!

Requirements: Your own Windows or Mac laptop. Code download requirements to be communicated before workshop. [RSVP here.](#)

*"Step out of the history that is holding you back. Step into the new story you are willing to create"*

**-Oprah Winfrey**

## **Girl's STEM Day**

This is a reminder for those who signed up to work with WIC for Girls STEM Day that the event is taking place on Saturday, November 17th.

## **MSU CSE Organizations**

### **Spartan Hackers: Spooky: Python (Pandas)**

Peter is going to give another workshop and this time it's going to be Pandas in Python. Also, be sure to come in wearing your Halloween costume! Bonus points to whoever dresses as a Panda. Special food provided by Spartan Innovations. RSVP to the event [here](#).

### **ACM : TBD**

Stay up to date with AMC through their [Facebook page](#)!
