Job Opportunities

Diversity Career Fair -

When : Wednesday, January 18th

2:00 - 6:00 PM

Where : Breslin Center

Details : Still searching for that awesome summer internship? The Diversity Career Fair is MSU's largest spring-semester career fair. It has something for all students, all majors, and all colleges. This event attracts well-known employers representing a variety of industries and full time, internship, and co-op opportunities for students. Make sure to check it out on Handshake for more information!

iD Tech Summer Technology Camp-

Details : This summer, iD Tech will hire over 1,600 instructors and staff from across the world to show students, ages 6 to 18, firsthand how their interests in technology can turn into fun learning experiences. We have programs that emphasize tech education for girls, teens, tweens and younger children.

We're looking for energetic, tech-savvy, summer staff who understand the need for quality technology education for young students. So why not spend your summer instructing, mentoring, and building your resume in one of our amazing programs? You'll make a positive impact on the lives of students this summer and potentially inspire them to aim for big ambitions. Our summer jobs are as fulfilling as they are fun!

Staff members receive competitive compensation, room & board (overnight staff only), custom built apps supporting operations and curriculum, college internship credit (if applicable), guidance from our experienced team of managers, and more.
