GHC 18 From Home

Some of you aren't attending the 2018 Grace Hopper Celebration but that doesn't mean you can't participate from home. Here are some of the ways you can be a part of this year's celebration in Houston.

- Follow GHC on [Twitter](#) and [Instagram](#).
- Join an [AnitaB.org Local Community](#) and [sign up to receive info about GHC 18 Viewing Parties](#).
- Tune into the GHC 18 Keynotes via livestreaming. Go to [the GHC site](#) and the livestreaming link will be at the top of the page shortly before the keynote begins. Join us on September 26 at 9 a.m. CT and September 28 at 3 p.m. CT.
- Get your resume in front of GHC 18 sponsors. That's right, you don't have to

"Do what they think you can't do."

–Duke Fergerson

attend GHC in order to take advantage of this opportunity. [Submit your resume today.](#)

New Women in Computing Website

WIC's brand new website has just been launched thanks to WIC's webmaster Rebecca Skladd. Check it out [here](#).

Withrow Award for Teaching

Nominations for the 2018 Withrow Award for Teaching Excellence in CSE are open until December 1. Consider nominating a CSE instructor who is deserving of recognition for teaching and service to students. Find details and submit your nomination at <https://secure.cse.msu.edu/withrow/>.

2018 KP Engineering Fellows Program

Kleiner Perkins (www.kleinerperkins.com), a world-leading venture capital firm located in Silicon Valley, just announced that they are now accepting applications for the 2018 KP Engineering Fellows Program and we'd like to share this opportunity with you.

Here are a couple of short videos to learn more:

[Making an Impact](#)

[KP Fellows w/ Slack Co-Founder and CEO Stewart Butterfield](#)

Applications for the 2019 KP Engineering Fellows Program are open now and close **September 30th, 2018**.

Girl's STEM Day

WIC's outreach chair Linda Duong will be leading an activity for Girl's STEM Day which is taking place on Saturday, November 17th and she needs volunteers. WIC is going to be doing an activity with Light Bots which is an online game activity that will teach about core computer science concepts. If interested, please sign up [here](#) and you'll be put on the volunteer list!

NCWIT Opportunities

Join NCWIT's Jennifer Manning for information about scholarships, internships and other opportunities for university students sponsored by NCWIT and the Aic Community on Friday, October 5th from 11:30am - 1pm in the EB. Registration is required as space is limited.

Link for details and to register [here](#).
