Volunteer Opportunities

Ignite CS and Girls Who Code

MSU WIC will be running two coding clubs next semester - Ignite CS and Girls Who Code.

Volunteers are needed! There will be a meeting on Tuesday, November 7th from 4 - 5 PM in 1410 EB for those interested. Reach out to WIC Outreach Chair Harshita Das at dasharsh@msu.edu for more information!

MSU College of Engineering Girls' STEM Day

WIC is looking for volunteers for the College of Engineering's Girls' STEM Day on Saturday, November 11th! We will be leading a simple computing activity for girls in grades K-4. This is a small time commitment and a great way to give back to the community! You also get a free t-shirt and lunch. If you are interested, please fill out this [form](#) by October 26th and indicate that you are volunteering with the specific activity for WIC. WIE needs volunteers for all activities, so feel free to volunteer for another activity as well! If you have any questions, please reach out to Sarah Johanknecht at johankn1@msu.edu.
