Girl's STEM Day

Girls STEM Day is taking place on Saturday, November 17th and we need volunteers. WIC is going to be doing an activity with Light Bots which is an online game activity that will teach

about core computer science concepts. If interested, please sign up [here](#) and you'll be put on the volunteer list!

Atomic Object Typescript Workshop

On November 10 from 10-2, Atomic Object is holding a workshop at their headquarters in Grand Rapids. JavaScript is a powerful language that's flexible- to a fault. TypeScript adds a layer of static typing over JavaScript that makes code stronger, more robust, and easier to write. We're going to dive into TypeScript fundamentals, development patterns, and a handful of magic tricks!

Requirements: Your own Windows or Mac laptop. Code download requirements to be communicated before workshop. [RSVP here.](#)

Internship and Full Time Opportunities

Dow Chemical is looking for WIC members to apply for internship and full time job opportunities. The applications can be found here: [Internship Application](#) and [Full Time Application](#). If interested, apply and reach out to Marc Habermann (mahabermann@dow.com) or Jackie Herring (j.herring@dowcorning.com) to ensure your application is reviewed in a timely manner.
