

WIC Bits

JANUARY 25TH, 2018

"If you don't know what your passion is, realize that one reason for your existence on earth is to find it."

—Oprah Winfrey

Brooksource Tech Talk

When : Tuesday, January 29th @ 6:00 PM

Where : 3400 Engineering

Details : Career Fair season is just around the corner! Whether you are looking for internships, full time jobs, or just looking to get your name out there, it's always a great idea to brush up on those networking skills. Join Women in Computing and Brooksource Technical Youth for a "All About Networking" workshop to learn how to best interact with recruiters, how to use LinkedIn, and how to make sure you create long lasting relationships with potential employers! Please bring your laptop, and a copy of your resume if you'd like a professional to give any feedback! Looking forward to seeing you there!

Please RSVP! -> [Facebook Event](#)

MICWIC 2019 Interest Form

Michigan State's WIC is organizing a group of members to attend MICWIC, and we want you to come with us! All MSU students, from freshmen to seniors, as well as grad students, are welcome to join us. Carpool drivers will leave

from East Lansing around 2 pm on Friday. You can expect to be back in East Lansing by 6 pm on Saturday. A hotel stay will be included in the cost of registration (double occupancy, you can indicate a roommate preference when registering). If you are planning on attending, please fill out [this form](#) by **Friday, February 1st** so that we have an estimate for the number of attendees and can notify you with what financial support you can expect to receive.

MCWT Scholarship

The Michigan Council of Women in Technology Foundation provides scholarships to women who have the interest, aptitude and potential for a successful career in computer science. Our scholarship program encourages talented female students to continue their higher education and ultimately help Michigan become the No. 1 state for girls and women in technology. Apply [here](#) through January 31, 2019 at 11:59 p.m.

Introduce a Girl to Engineering

Introduce a Girl to Engineering is an event for 4th-8th graders to get involved with STEM activities. The event will be on **Saturday, February 16, 2019**. Any WIC members can volunteer and if you would like to volunteer for WIC, please sign up [here](#), as well as fill out [this form](#).

MSU CSE Organizations

Spartan Hackers: TBD

Stay up to date with Spartan Hackers through their [Facebook page](#)!

ACM : Code Rush - Movie and Pizza Night

When : Tuesday, September 18 @ 8:30 PM

Where : 1279 Anthony

Details : This event is a screening of the documentary Code Rush. Software engineers from Mozilla will be joining in the event to answer questions on working on Open-Source software! Pizza will be provided.
