"Make your life a masterpiece; imagine no limitations on what you can be, have or do."

– Brian Tracy

Ice Skating at Munn!

When : Sunday, January 28th @ 6:30 PM

Where : 1202 Engineering Building

Details : Join MSU WIC for our first social event of the semester! We are attending open skate at Munn Ice Arena. When you arrive at Munn, go to the pro shop and tell them you are with the 'Women in Computing' group for a discounted entry fee of \$4. Skate rental is an additional \$2. Plan on getting there around 4:00pm so you can enjoy the full open skate time period. Hope to

see many of you there!

Please RSVP! -> [Facebook Event](#)

Other Upcoming WIC Events

Tuesday, February 6th @ 6:30 PM

1202 Engineering Building

Hackathons

Oxford AI Games Club Coding Competition -

The Oxford AI Games Club is organizing an interscholastic coding competition on January 27th. Their Facebook group can be found [here](#). Students at MSU can join remotely along with other programmers from across the USA! Check out this [Eventbrite link](#) for more information.

Research Opportunities

CCU Summer Undergraduate Research Fellowship

-

The Coastal Carolina University Summer Undergraduate Research Fellowship (C-SURF) is a summer research program for math, physical science, engineering, and computer science students. C-SURF is sponsored by the National Science Foundation. Participants will collaborate with researchers on projects that integrate computing and geoscience to advance understanding of coastal zones, climate variability, big data analytics, and related topics. Applicants must have completed two years of undergraduate studies. This program runs from May 21 - July 27 2018. CCU is located

in Myrtle Beach, South Carolina. Participants will receive a stipend and travel/housing costs will be provided. Applications are due February 10. Check out this [site](#) to apply and learn more!

Scholarship Opportunities

Michigan Council of Women in Technology Foundation Scholarship

The MCWT Foundation offers college scholarships through an application and interview process to qualified young women who are entering or currently majoring in IT fields. Applications will be accepted October 1st to January 31st. Students must be Michigan residents, have a GPA above 3.0, be enrolled in a full time university in Michigan and be a US citizen to be eligible. Visit this [link](#) for additional information about the application and review process!

MSU CSE Organizations
