

# WIC Bits

SEPTEMBER 16TH, 2016

***"Innovation thrives on diversity, and we simply can't afford for the future of technology not to represent women or people with different backgrounds and experiences."***

*– Susan Wojcicki, CEO of Youtube*

## Lean In Circle!

**When :** Tuesday, September 20th  
6:00 PM

**Where :** 2400 Engineering Building

**Details :** WIC is hosting its first Lean In Circle of the semester this upcoming Tuesday! Lean In Circles are small group meetings to share advice and discuss experiences about school, work, and other life events in a supportive environment. It will be an engaging meeting that lets you meet people, learn about them, and learn about yourself! We will also be having a raffle for those who attend.

## **Other Upcoming Events**

### **ITA Tech Challenge**

**When :** Tuesday, September 20th

6:00 PM

**Where :** S109 South Kedzie Hall

**Details :** Looking to put your programming skills to the test? Interested in winning \$500 to \$5000? Want the chance to be interviewed by select technology companies? Come participate in the Qualifying Phase for the ITA Tech Challenge!

The ITA Tech Challenge is a programming and coding skills competition for current students at Midwest universities. The Qualifying Phase is held at 21 different

universities, including MSU, and is a 3 hour event that includes an online coding assessment. Then, the overall Top 50 scorers are invited to Chicago for the Final Challenge and interviews with area technology companies looking to hire interns or entry-level talent.

For more information, check out their [website](#)!

**\*\*[Register](#) to attend the event\*\***
