

WIC Bits

OCTOBER 21ST, 2016

"People don't take opportunities because the timing is bad, the financial side unsecure. Too many people are overanalyzing. Sometimes you just have to go for it."

– Michelle Zatlyn,
Cofounder of CloudFare

Security Panel!

When : Tuesday, October 25th

6:00 PM

Where : 2400 Engineering Building

Details : In today's technology-filled world, Computer/Information Security is a hot and important topic. To learn more about developments in this field and current opportunities, we will have a panel of representatives from Cisco, Duo, and MSU Information Security who will be talking about their work, sharing their experiences, and answering any questions you may have!

** Food will be provided **

Please RSVP! -> [Facebook Event](#)

Other Upcoming WIC Events

Lean In Circle - November 1st @ 6 PM

2400 Engineering Building

Other Upcoming MSU CSE Events

Spartan Hackers : Mastering the Python Debugger

When : Monday, October 24th

7:00 - 9:00 PM

Where : 233 Communication Arts and Sciences

Details : This workshop on Python is intended to build upon topics taught in CSE 231, so bring your laptop and expect plenty of coding. Pizza will be provided!

Please RSVP! -> [Facebook Event](#)

Spartasoft : TBD

When : Wednesday, October 26th

7:00 PM

Where : 1145 Engineering Building

Details : Stay up to date with Spartasoft events through their [Facebook](#) page and their new [calendar](#)! They usually create a Facebook post about the week's game development topic closer to the date of their weekly meetings.

ACM : Evolutionary Computing with Dr. Ofria

When : Thursday, November 3rd

7:00 PM

Where : 1225 Engineering Building

Details : There is no ACM meeting planned for this upcoming week, but on November 3rd Dr. Ofria will be giving a talk about Evolutionary Computing. Watch for more details on ACM's [Facebook](#) page and [website](#)!

Career & Networking Opportunities!

Advancing Women in Business

When : Tuesday, November 15th

5:00 - 8:00 PM

Where : MSU Kellogg Hotel & Conference Center

Details : This is a free event, sponsored by the MSU Broad College of Business. It focuses on women in the workforce and affords a chance to mix and mingle with women leaders, learn about skills sets to build for leadership, and the do's and don'ts for early career women. **They are very excited to have women engineering students attend.** Registration is on [eventbrite](#). There are two pre-conference workshops and the main event. If you are interested in attending, please register soon.
