Note from CSE Student Representatives

Update on CSE Student Lab Space

The CSE Student Representatives would like to thank everyone who participated in the survey on

CSE student lab space. The responses and comments were used to compose a report to the department. The report can be accessed here. The next step includes assembling a group to speak with the department chair about the student body's opinions on lab space and ways to move forward. If you would like to be involved in this, please contact your student representatives. Contact information can be found here. Thank you for all of your input!

Volunteer Opportunities

Ignite CS and Girls Who Code

MSU WIC will be running two coding clubs for high schoolers next semester - Ignite CS and Girls Who Code. Volunteers are needed! There will be a meeting on Tuesday, November 7th from 4 - 5 PM in 2408 EB for those interested. Reach out to WIC Outreach Chair Harshita Das at dasharsh@msu.edu for more information!

*** Note that the meeting location has been changed from 1408 to 2408 EB. ***

MSU College of Engineering Girls' STEM Day

WIC is looking for volunteers for the College of Engineering's Girls' STEM Day on Saturday, November 11th! We will be leading a simple computing activity for girls in grades K-4. This is a small time commitment and a great way to give back to the community! You also get a free t-shirt and lunch. If you are interested, please fill out this form by October 26th and indicate that you are volunteering with the specific activity for WIC. WIE needs volunteers for all activities, so feel free to volunteer for another activity as well! If you have any questions, please reach out to

Sarah Johanknecht at johankn1@msu.edu.
