WIC is looking for volunteers for the College of Engineering's Girls' STEM Day on Saturday, November 11th! We will be leading a simple computing activity for girls in grades K-4. This is a small time commitment and a great way to give back to the community! You also get a free t-shirt and lunch. If you are interested, please fill

out this [form](#) by October 26th and indicate that you are volunteering with the specific activity for WIC. WIE needs volunteers for all activities, so feel free to volunteer for another activity as well! If you have any questions, please reach out to Sarah Johanknecht at johankn1@msu.edu.
