Grace Hopper Celebration 2018

The Grace Hopper Celebration of Women in Computing (GHC) is an annual computing conference for women that occurs in the Fall of every year. Many WIC members attend this conference each year and those who have attended always have a fun time learning about new topics, hearing from great speakers, and networking at the large career fair! This year GHC takes place September 26th-28th, 2018 in Houston, Texas. If you are interesting in attending and want to be considered for funding from WIC to help cover of registration and hotel
