# WIC Bits

*"A person that never made a mistake never tried anything new."*

**–Albert Einstein**

## Deloitte Tech Talk

**When :** Tuesday, February 5th @ 6:00 PM

**Where :** 3400 Engineering

**Details :** Our topic for the tech talk will be on Data Privacy and Protection. This presentation will give the audience an idea of what data privacy means from both consumer and business perspectives, how businesses leverage consumer data to generate actionable insights, and what consumers can do to protect their data. We will also give some examples on how data privacy and protection affect our daily lives.

**Please RSVP! -> Facebook Event**

## MICWIC 2019 Interest Form

Michigan State's WIC is organizing a group of members to attend MICWIC, and we want you to come with us! All MSU students, from freshmen to seniors, as well as grad students, are welcome to join us.  Carpool drivers will leave from East Lansing around 2 pm on Friday, March 29th. You can expect to be back in East Lansing by 6 pm on Saturday, March 30th. A hotel stay will be included in the cost of registration

(double occupancy, you can indicate a roommate preference when registering). If you are planning on attending, please fill out this form by **Friday, February 1st** so that we have an estimate for the number of attendees and can notify you with what financial support you can expect to receive.

## Introduce a Girl to Engineering

Introduce a Girl to Engineering is an event for 4th-8th graders to get involved with STEM activities. The event will be on **Saturday, February 16, 2019**. Any WIC members can volunteer and if you would like to volunteer for WIC, please sign up here, as well as fill out this form.

## MSU CSE Organizations

**Spartan Hackers: TBD**

Stay up to date with Spartan Hackers through their Facebook page!

**ACM :** Tech Talk: Experience At Ford with Amanda LaBelle

**When :** Wednesday, February 6th @ 7:00 PM

**Where :** 1279 Anthony

**Details :** Feeling anxious about the future? Wonder what it's like to be in the computer science field? A recent graduate will be coming back to State for a talk on her experience in the field of Software Engineering. We will be providing food too! RSVP here.
