WIC Bits

Career Path Exploration with Vertafore!

***

NOTE: This event will start earlier than usual (@ 5:30) since Vertafore has a lot of great information to share!

***

When : Tuesday, February 7th

5:30 - 7:00 PM

Where : 2243 Engineering Building

Details : Are you thinking of majoring in CS and interested in learning about what you can do with a computer science degree? Come join MSU WIC and hear from a number of Vertafore representatives who will discuss what career paths they discovered after they graduated. Computer science careers such as Security, Dev, QA, Data Analysis, Dev Management, and many more will be discussed, so come have a free dinner and find out what you want to do after graduation!

Please RSVP! -> Facebook Event

"I am not a product of my circumstances. I am a product of my decisions."

– Stephen Covey, author of 'The 7 Habits of Highly Effective People'

Other Upcoming WIC Events

Lean In Circle -

    Tuesday, February 21st @ 6:00 PM

    2243 Engineering Building

Fun Outreach Opportunity!

Introduce a Girl to Engineering

    When : Saturday, February 25th

        11:30 - 4:30 PM

    Where : Engineering Building

    Details : WIC will be putting on an activity at this year's Introduce a Girl to Engineering Day! There will be over 500 4th - 8th grade girls, who are excited to learn about STEM. Lunch and t-shirt will be provided by the event for all volunteers. For a sneak peek of what this event is like, watch a [video](#) of last year's event!

    If you are interested, please reach out to our outreach coordinator Halle at dymowsk3@msu.edu AND also make sure to [Sign Up Here](#) (for "Activity/Leader Name" field, put "WIC")!

Upcoming Conferences

Michigan Celebration of Women in Computing (MICWIC)

    When : March 31st - April 1st

    Where : East Lansing, MI

    Details : This biennial conference will be held at Michigan State University this year! There will be presentations, panel discussions, a poster session, and opportunities for career exploration. They welcome participation by anyone interested in

learning about the rewards of careers in computing fields or in advancing technology through broader representation of women. There will also be a career fair that features both regional and national companies and many Michigan colleges and universities.

If you are interested in presenting a poster or paper at MICWIC, make sure to check out the [Call for Submissions flyer](#)!

If you are interested in attending, registration is not currently open, but make sure to visit their [website](#) and look for updates in future WIC Bits!

Upcoming MSU CSE Events

Google Resume Office Hours :

When : Monday, February 6th

Tuesday, February 7th

6:00 - 9:00 PM

Where : Monday - 1230 Engineering Building

Tuesday - 2250 Engineering Building

Details : Sit down one-on-one with a Google engineer to get real-time feedback on your resume. Whether you are seeking full-time or internship, our Google engineers can give you advice on what to include on your resume and what to focus on this school year. Please bring at least two paper resumes when you attend. First come, first serve.

[Be sure to RSVP here](#)!

Google Engineering Social Lunch :

When : Tuesday, February 7th

12:00 - 2:00 PM

Where : 2205 Engineering Building

Details : Join three MSU alumni Googlers for an

informal lunch to hear about both their engineering work at the company as well as how their time in East Lansing prepared them for a career in tech. Pizza and swag will be provided while it lasts!

[Be sure to RSVP here](#)!

Spartan Hackers : Using the Debugger in Python

When : Tuesday, February 7th

> 7:10 PM

Where : 1345 Engineering Building

Details : For this workshop, Abe Ahmed will be showing how to effectively use the debugger in Python. While this workshop is using Python the skills learned could be put into using other debuggers outside of Python. As always there will be pizza and pop! Hope to see you there!

[Be sure to RSVP here](#)!

Spartasoft : TBD

When : Wednesday, February 8th

> 7:00 - 8:00 PM

Where : 154 Communication Arts and Sciences

Details : Stay up to date with Spartasoft events through their [Facebook](#) page.

ACM : No event this week

MSU Brain Intelligence Club: Past, Present, and Future of AI and Machine Learning

When : Monday, February 13th

> 7:00 PM

Where : TBD

Details : This talk is centered around the growth of

artificial intelligence and machine learning and how we can apply it to other areas to help with research in psychology, neuroscience, biology... Come check it out! This event will also act as a first, open meeting for this club and we'll talk about what Brain Intelligence Club (BrInC) is about and what is to come this semester! Every major is welcome and any major will benefit!
