# WIC Bits

## Lean In Meeting: Owning Your Strengths

**When :** Tuesday, November 6th @ 6:00 PM

**Where :** 3400 Engineering Building

**Details :** Lean In Circles are small group meetings to share and discuss experiences about school, work, and other life events in a supportive, confidential environment! The topic will be owning your strengths.

**Please RSVP! -> [Facebook Event](#)**

## MICWIC 2019

Save the date: MICWIC 2019 will take place March 29th-30th at Grand Valley State University. The Michigan Celebration of Women in Computing is part of a nationwide effort to increase the meaningful participation of women in the computing profession. In the tradition of prior ACM Celebrations, MICWIC 2019 will focus attention on the research success and career interests of women in computing and information technology. It will bring together students, faculty, and business leaders from

*"I don't know exactly what the future holds, but I'm stepping forward with grit anchored in grace."*

**–Julie Graham**

across Michigan and neighboring states to discuss the role of women in today's technology fields, share experiences and strategies for success, and explore issues common to women working in these fields.

## MSU CSE Organizations

**Spartan Hackers: Battles of the Schools**

> **When :** Saturday November 3rd @ 7:00 PM
>
> **Where :** Anthony Hall
>
> **Details :** This year, the University of Michigan's Hackers club is coming to MSU for an 8 hour hackathon battle. Team up with up to 3 other people or go solo for the win! We will be having workshops, tech talks, and open mic talks. Come on out to compete for the prizes, make new friends, learn new skills, eat good food, or all of the above! This event starts at 12pm and will end at 8pm. Check out the Facebook Event for more details.

**ACM : TBD**

> Stay up to date with AMC through their Facebook page!
